ASSIGNMENT

JOINT

THIS ASSIGNMENT, by Alan P. WOLFFE and Trevor COLLINGWOOD (hereinafter referred to as the assignors), residing at Orinda, CA and San Pablo, CA respectively, witnesseth:

WHEREAS, the said assignors have invented certain new and useful improvements in TARGETED MODIFICATION OF CHROMATIN STRUCTURE set forth in an application for Letters Patent of the United States, bearing Serial No. 09/844,508 and filed on April 27, 2001; and

WHEREAS, Sangamo BioSciences, Inc. a corporation duly organized under and pursuant to the laws of Delaware, and having its principal place of business at Point Richmond Tech Center 501 Canal Blvd., Suite A100 Richmond, CA 94804 (hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to said inventions and said application for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient considerations, the receipt of which is hereby acknowledged, the said assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Union for the Protection of Industrial Property, the same to be held and enjoyed by the said assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made.

AND for the same consideration, the said assignors hereby covenant and agree to and with the said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and the application for Letters Patent above-mentioned, and that the same are

unencumbered and that the said assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, the said assignors hereby covenant and agree to and with the said assignee, its successors, legal representatives and assigns, that the said assignors will, whenever counsel of the said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of the said assignee, its successors, legal representatives and assigns.

AND the said assignors hereby request the Commissioner of Patents to issue said Letters Patent of the United States to the said assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use and behoof of the said assignee, its successors, legal representatives and assigns.

**ESTATE OF ALAN P. WOLFFE
CONTRA COSTA COUNTY SUPERIOR COURT**

**ATTACHMENT 3d TO PETITION FOR LETTERS
OF SPECIAL ADMINISTRATION**

The Petitioner respectfully requests that the court grant Letters of Special Administration to the Petitioner for the purpose of endorsing certain patent applications and stock documentation in connection with the decedent's business.

The Petitioner is the decedent's surviving spouse, and is the nominated Executor and sole beneficiary under the decedent's Will. The decedent was a research scientist, employed by Sangamo BioSciences, Inc., in Richmond, California. In his capacity as employee, the decedent developed a number of inventions, which are the intellectual property of his employer. In order to apply for patents for these inventions, the Petitioner, as personal representative of the decedent, must execute certain documentation. The patent applications must be filed immediately to avoid the loss of any such intellectual property by Sangamo BioSciences, Inc.

The Petitioner has also been advised by the Board of Directors of Sangamo BioSciences, Inc. that she, as personal representative of the decedent, must execute as soon as possible certain stock certificates and other documentation, necessary to transfer the stocks to her name as personal representative, in order for her to exercise her rights as shareholder in the company. These actions are required immediately, and are necessary and proper under the circumstances.

The Petitioner, as sole beneficiary, will be filing a Spousal Property Petition to effect the transfer of the decedent's assets to her pursuant to the terms of the decedent's Will. In the interim, her immediate appointment as Special Administrator is necessary in order to orderly administer and to avoid losses by the estate.
